

Minutes of 3rd (2016) STC meeting held on 03.03.2016 at 3:00 PM under the Chairmanship of Sh. Anil Kumar Gupta, Engineer-in-Chief, in Committee Room, Sinchai Bhawan, Sector-5 Panchkula.

The list of participants present in the meeting is attached at “Annexure –A”.

The Chairman of the committee welcomed all the members and permitted to start the meeting as per agenda circulated vide SE/Project letter No.937-954/132W/STC dated 01.03.2016.

1. Project estimate for remodeling of Bhanpur Sub Minor from RD 0 to 20700 including reconstruction of intervening Structures costing to 143.16 lacs

SE/BWS Circle, Kaithal, explained the necessity of the scheme. The members of the committee of the view that the intensity of Irrigation may be studied for next 3 years with the present status of the channel. Hence the scheme was deferred.

2. Project estimate for rotational of fresh water in Braham Sarovar and Sannehit Sarovar costing to Rs. 2979-55 lacs.

SE/SYL Circle, Ambala explained the necessity of the scheme. The members of the committee of the view that the return channel from Sannehit Sarovar to pump house is required to be deleted from this scheme and the scheme is required to be amended accordingly and sub head wise provisions be made in the project estimate. However, the scheme is approved.

3. Project estimate for lining of STP Irrigation Channel from KM 13.100 to 25.700 Tail, Costing to Rs. 746.94 lacs.

SE/JWS Circle, Jhajjar explained the necessity of the scheme. The members of the committee of the view that the proposed bed width is required to be increased to serve the purpose of recharge and the L-type Toe Wall is required to be provided to avoid obstructions and no lining is required in the cutting reach. The scheme is required to be amended, however scheme is approved.

- 4. Project estimate for construction of STP Lift Irrigation Channel from RD 0 to 36500 tail, taking off at KM 24.850 L STP Irrigation Channel, costing to Rs. 2716.75 lacs**

SE/JWS Circle, Jhajjar explained the necessity of the scheme. The members of the committee agreed with the views of SE. The scheme is approved.

- 5. Project estimate for remodeling/increasing capacity of Bhalaut Sub Branch RD 0 to 156014, Jhajjar Sub Branch RD 0 to 62107 & 62107 to 160986 up to Pump House JF-I, costing to Rs. 37720.86 lacs.**

SE/YWS Circle, Rohtak explained the necessity of the scheme and appraised that the scheme is required to be funded by NABARD. The members of the committee agreed with the view of SE and the scheme is approved only for onward submission to NABARD for its approval and funding. The scheme is required be put up in the STC meeting after amending the same with power presentation before taking the technical approval.

- 6. Project estimate for remodeling / rehabilitation of JLN Feeder from RD 0 to 343100 costing to Rs. 13332.00 lacs.**

SE/YWS Circle, Jhajjar explained the necessity of the scheme in detail. In this scheme provision for single layer brick lining over and above the existing double layer tile lining has been provided because the double layer tile lining is not repairable and it will strengthen the channel. The members of the committee agreed with the views of SE. The scheme is approved.

- 7. Project estimate for providing RCC Truff in Rattanthal Disty. from RD 6000 to 10000 costing to Rs. 373.65 lacs.**

SE/JWS Circle, Jhajjar, explained the necessity of the scheme in detail. The members of the committee of the views that the channel was lined in the year 2000 and remodeled in year 2013-2014, hence the proposal is not acceptable. SE/JWS Circle, Jhajjar was advised to get that channel restored with single layer brick lining. Hence, scheme is deferred.

- 8. Project estimate for laying pipeline from RD 0 to 6000 & rehabilitation form RD 6000 to 9000 of Ishmailpur minor, Costing to Rs. 139.44 lacs**

SE/BWS Circle, Kaithal explained the necessity of the scheme in detail. The members of the committee agreed with the view of the SE/BWS Circle, Kaithal. The scheme is approved.

- 9. Project estimate for constructing RCC Box type 4 Nos. barrel from RD 138500-153200 and construction of road Cheeka-Balbera road to Kharkan-Guhla road from RD 139300-153200 on service road and construction of intervening structure of Markanda Disty (CM Announcement Code No.10809) Costing to Rs. 2039.42 lacs.**

SE/BWS Circle, Kaithal explained the necessity of the scheme. The members of the committee were not satisfied with the views of SE/BWS, Circle, Kaithal. It is desired by the members of the committee that M.S. Wire Mesh Fencing be provided on the bank of channel. The road is required to be got constructed from the B&R Department. Hence, the scheme is deferred.

- 10. Project estimate for construction of Pucca road on left side of BML-HB-BB-MPLC from RD 34690 (Near village Sarola) to RD 73975 (Near Cheeka-Pehowa road) in Kaithal District (total length 12 KM) CM Announcement code No. 10811, dated 27.11.2015, Costing to Rs. 1135.14 lacs.**

SE/BWS Circle, Kaithal explained the necessity of the scheme. The members of the committee were not satisfied with the views of SE/BWS, Circle, Kaithal. It is desired by the members of the committee that the road is required to be got constructed from the B&R Department. Hence, the scheme is deferred.

- 11. Project estimate for construction of Sheranwali link channel from RD 0-20400 off taking at RD 8500-L Southern Ghaggar Canal (lined) & linking at RD 126200 of Sheranwali Disty.**

SE/BWS Circle, Sirsa, explained the necessity of the scheme. The members of the committee agreed with the view of the SE/BWS Circle, Sirsa. The scheme is approved.

In addition to above the following scheme was also considered with due permission of chair and committee.

1. Project estimate for rehabilitation of Petwar Minor form RD 6500 to 21380 Tail. Costing to Rs. 125.00 lac.

SE/BWS Circle, Hisar, informed to the members of the committee that I have inspected the site and it is intimated that the repair of the channel is not feasible and economical, hence the scheme was submitted for approval. This scheme was deferred in the previous STC meeting held on 02.12.2015 in which it was desired that SE may inspect the site and position of complete channel be explained in detail. The members of the committee agreed with the view of SE/BWS Circle, Hisar. The scheme is approved.

Meeting ended with vote of thanks to Chair.
