**Grouping of channels for Two Groups of Bhakra Canal getting supply via Tail BML system for the period of Kharif – 2017 from 09.05.2017 to 15.10.2017**

The Rotational Programme for running of channels of Tail BML System for the period of Kharif – 2017 from 09.05.2017 to 15.10.2017 based on two groups of 16 days rotation each is enclosed duly approved for operation and further necessary action as enclosed.

- 1 Detail of channels in each group with their authorization is enclosed as per R.P. and should be followed rigidly.
- 2 Copies of the approved Rotational Programme be supplied to all concerned to enable them to give wide publicity.
- 3 The officer incharge for distribution of supplies to D/S indent shall not release supplies beyond the authorization. Violation of the above shall be personal responsibility of such officer.
- 4 When there is less supply available in 1<sup>st</sup> P.O. turn than the authorization, available supplies be distributed proportionally in consultation with each other.
- 5 When supplies in 2<sup>nd</sup> P.O. turn are available but not sufficient to meet full requirement of 2<sup>nd</sup> group, preference will be given to channels in Tail reaches falling in saline zone.
- 6 Discrepancy, if any, may be intimated to this office immediately.
