

1284-1320
No.: /Enlistment/Coordination/2019

Dated: 04-3-2020

From
The Chairman,
Enlistment Committee,
Irrigation & W.R. Department Haryana,
Sinchai Bhawan, Sector 5, Panchkula.

To
1 All Chief Engineer Irrigation & W.R. Department Haryana, Panchkula/ Delhi
2 All Superintending Engineers Irrigation & W.R. Department Haryana (through e-mail)

Subject: **Debarring/black-list to Sh. Surender Singh, Contractor R/o VPO Chandwa, Block Kairu, Tehsil and District Bhiwani.**

Reference: **Chief Engineer LCU letter no. 6291/7LCU/2019 dated 09.12.2019**

Vide above said reference, Chief Engineer/LCU has recommended the case for Debarring/black-list to Sh. Surender Singh, Contractor R/o VPO Chandwa, Block Kairu, Tehsil and District Bhiwani.

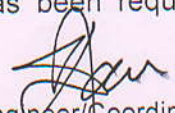

After detailed deliberations, the Enlistment Committee had directed to Sh. Arun Kumar Munjal, Executive Engineer, Water Services Feeder Division, Rohtak to check that whether the gates at Bakra Village Drain No. 8 are of same material as of gates/gearing installed at Loharu Feeder at RD 42400 for which the payments has been released. Executive Engineer, Water Services Feeder Division, Rohtak was further directed to point out specific shortcomings in the gates/gearing installed at Loharu Feeder at RD 42400, so that further action be taken up accordingly.

Now, Sh. Arun Kumar Munjal, Executive Engineer, Water Services Feeder Division, Rohtak vide his office letter No. 422-24/8G dated 31.01.2020 informed the various shortcomings found by him during his inspection of gates at Bakra Village Drain No.8 dated 30.01.2020. He has also enclosed the photographs of actual work at site.

After discussing the report and visualizing the photographs submitted by Executive Engineer Feeder Division Rohtak, the Enlistment Committee apprehended that the work executed at site of Bakra Village Drain No.8 might not be of good quality as such the work of providing and fixing gates and gearing on Loharu Feeder at RD 42400 may also be of similar nature.

In view of the report of Executive Engineer Water Services Feeder Division Rohtak and recommendations of Superintending Engineer LWS Circle Bhiwani, Enlistment Committee has concluded that Sh. Surender Singh Contractor has neither completed the work nor executed the work as per required specification and decided that:-

1. As per clause 14.5.5 of Haryana PWD Code, the contractor is debarred for the period of 6 months from the issue of orders i.e. 04.03.2020 to 03.09.2020.
2. As regard to quality of work, the Enlistment Committee has apprehended that both the works i.e. providing and fixing gates and gearing at Bakra Village Drain No.8 and on Loharu Feeder at RD 42400 seems to be below specification, for which Chief Engineer/LCU has been requested to take further necessary action at his end.

Executive Engineer/Coordination-II,
For Chairman, Enlistment Committee,
Irrigation & Water Resources Deptt.
Haryana, Panchkula
